Condition	New	State	Queensland
Suburb	Burpengary East	Engine Make	Yamaha

Description

The Quintrex 520 Top Ender painted in white is a versatile and robust fishing boat designed to offer excellent performance on various water conditions. It features a sturdy Blade Hull, which enhances its stability and smooth ride through choppy waters. The boat package is paired with a braked Quintrex trailer, offering solid construction with four alloy cross members, adjustable keel rollers, and a reliable braking system, ensuring easy transportation.

Powered by a Yamaha F90HP 4-stroke engine, the 520 Top Ender provides ample power, smooth handling, and excellent fuel efficiency. The engine setup includes forward controls, a 703 control box, two multifunction digital gauges, and power trim and tilt for enhanced control and comfort. This model also includes a Garmin UHD2 95SV chartplotter/sounder combo with advanced sonar technologies like ClearVü and SideVü, ideal for navigation and fish tracking.

Additional features like a marine battery with an isolation switch, a bimini with an envelope for shade, and an extra seat spigot make this boat both practical and adaptable. The bow mount thruster plate prepares it for electric motor installation, while cockpit lights ensure visibility during early morning or late evening trips.**PACK 2 INCLUSIONS:**
