Description

Imagine yourself cruising the waters with the stylish and versatile Quintrex 530 Freestyler, painted in a sleek white finish. This model is paired with a robust Quintrex braked tandem trailer, boasting 13-inch wheels, four alloy cross members, and a durable 50mm coupling braked system. The package is further enhanced by the inclusion of a spare wheel and carrier, along with a catch and release bracket for effortless single-person boat hookups at the ramp.

The power behind this beauty is a Yamaha F130HP 4-stroke engine, equipped with forward control and 703 control box, providing smooth performance with two multifunctional LAN digital gauges. The engine's power trim and tilt, electric start, and SDS alloy prop ensure a reliable and efficient boating experience. Complementing this setup is a Garmin GPSMAP® 953XSV Chartplotter/Sounder Combo, preloaded with Garmin Navionics+ Australia & New Zealand Mapping, offering top-tier navigation and sonar capabilities.

Onboard, enjoy the superior audio quality of the Fusion RA60N sound system with two speakers, enhanced by an additional pair of Fusion speakers for a total of four. This setup is perfect for entertainment while out on the water. The package also includes a marine battery with an isolation switch, a bimini and envelope with front and side clears, a tonneau/bow cover, a barn door, transom door, and side wing gussets. Added conveniences like windscreen grab rails, ski hooks, a ski tube rack, extra drink holders, and folding cleats on the transom make this boat an excellent choice for both relaxation and adventure.
