Description

The Quintrex 530 Side Console is built for anglers who need a spacious and stable platform with excellent maneuverability. Its unpainted finish highlights its rugged durability, while the side console layout provides a clear view and a large open deck for unrestricted movement. The extra seat spigot allows for flexible seating arrangements, making this a versatile setup for any fishing adventure.

Paired with a Quintrex braked trailer (1298ATM), transport is smooth and secure. The trailer features 13-inch alloy wheels, adjustable keel rollers, and a rolled frame alloy I-beam for added strength. With LED lights, a swing-up jockey wheel, and a winch, launching and retrieving the boat is easy, while the motor support ensures safe transport.

Powered by a Yamaha F90HP 4-stroke, this package delivers efficient performance with electric start, power trim and tilt, and an SDS alloy prop for smoother, quieter operation. An Australian-made marine battery with an isolation switch provides reliable power on the water, while the latest Quintrex decals complete this well-equipped fishing package. **PACK 1 INCLUSIONS:**
