**Description**

The ultimate combination of style and performance - the Quintrex 540 Cruiseabout, now available in a stunning painted white finish. This versatile bowrider is perfect for family outings and watersports, featuring a sleek design and spacious layout. Equipped with a powerful Yamaha F115HP 4-stroke engine, this model ensures a smooth and efficient ride, thanks to its forward control, electric start, and power trim & tilt. The engine is complemented by dual multifunctional LAN digital gauges, a workshop-fitted fuel filter, and a robust SDS alloy prop, delivering exceptional performance and reliability on the water.

The Quintrex 540 Cruiseabout package includes a high-quality Quintrex braked trailer with 1595ATM, alloy I-beam construction, and 14-inch alloy wheels with disc brakes for easy and secure transport. The trailer is designed with adjustable keel rollers and long skids to provide optimal support for the boat, while the LED lights and swing-up jockey wheel add convenience and safety. For added peace of mind, the package also comes with a spare wheel and carrier.

Enhance your boating experience with the included Bimini and envelope with front and side clears, offering excellent protection from the elements without obstructing your view. The Garmin UHD2 75SV chartplotter/sounder combo with preloaded Garmin Navionics+ maps ensures you always stay on course, while the marine battery and isolation switch provide reliable power. Additional features like the transom door, barn door upgrade, windscreen grab rail, and upholstered side pockets add to the overall comfort and functionality of the boat. With cockpit lights and a motor support block included, the Quintrex 540 Cruiseabout is ready for any adventure on the water. **PACK 2 INCLUSIONS:**
