

Quintrex 540 Territory Legend + Yamaha F115hp 4-Stroke - Pack 2 for sale online prices

\$72,890

Description

The Quintrex 540 Territory Legend is a formidable fishing boat, expertly designed for both coastal and inland waters. With its robust 5.68m length and a beam of 2.3m, this model is built to handle a maximum horsepower of 140hp, making it perfect for serious anglers. The painted white hull and upgraded painted console not only provide an aesthetic appeal but also add an extra layer of protection against the elements. The Blade Hull design enhances stability and provides a smooth ride, while features like the front and rear casting platforms, four rod holders, and a rear ladder ensure you have all the essentials for a successful day on the water.

Paired with this is a Quintrex Braked Trailer 1595ATM, built with durability in mind. The alloy I-beam construction, combined with 14-inch alloy wheels and adjustable keel rollers, ensures safe and easy transportation. The trailer is also equipped with LED lights, a good quality swing-up jockey wheel, and a 5:1 winch, making it a reliable companion for your boating adventures.

Powering the Territory Legend is a Yamaha F115HP 4-Stroke outboard, known for its efficiency and reliability. The motor features power trim and tilt, electric start, and an SDS alloy prop, all controlled through a 703 control box. The addition of a motor support block helps maintain the tilt assembly during transport. For navigation, the boat is equipped with a Garmin UHD2 95SV Chartplotter/Sounder Combo with a transducer upgrade to the GT56UHD, providing ultra-clear sonar images, essential for pinpointing fishing spots. Additional features such as a bimini and envelope for shade, a marine battery with isolation switch, and a mega chopper cutting board further enhance the functionality of this well-rounded package

.PACK 2 INCLUSIONS:
