### Description

The Quintrex 540 Top Ender offers a versatile setup for both serious fishing enthusiasts and leisure boaters. Painted in a sleek white, this boat stands out on the water while offering a durable, low-maintenance finish. Paired with a robust Quintrex braked trailer featuring an alloy I-beam construction, 14-inch alloy wheels, and dual adjustable keel rollers, transportation is a breeze. With the addition of a spare wheel and carrier, the trailer package is designed for ease of use, allowing you to take your adventures anywhere with confidence.

Powering the 540 Top Ender is the Yamaha F115HP 4-stroke engine. Known for its reliability and efficiency, this motor comes with forward control, a 703 control box, and two multifunctional LAN digital gauges for easy monitoring. Its power trim and tilt function, electric start, and SDS alloy prop make it smooth to handle. The engine is workshop-fitted and tested, ensuring optimal performance right from the start.

To enhance your on-water experience, the boat is fitted with a Garmin UHD2 75SV Chartplotter/Sounder Combo. The bright 7" display is readable in direct sunlight, and its preloaded Garmin Navionics+ mapping ensures accurate navigation across Australia and New Zealand.
