

Quintrex 550 Frontier PRO + Yamaha F130hp - PRO PACK FOR SALE

\$88,334

Description

Designed to fish hard and handle rougher days without fuss, the Quintrex 550 Frontier Pro Side Console in two-tone paint is a serious fishing setup with a proper working layout. The 5.5m Apex Hull sits steady at rest and rides clean through chop, making it well suited to estuary work and open bay runs. The Pro fit-out is all about function: lockable rod storage, transom door for easy water access, high-pressure deck wash, and a practical cutting board setup with storage and drainage for bait and tackle. Power comes from a Yamaha F130HP four-stroke, which starts easy, runs quiet, and has enough punch for towing and loaded days. It’s paired with standard digital gauges and a motor support block for towing.PRO PACK INCLUSIONS:
