Description

The sleek and powerful Quintrex 570 Renegade SC, painted in a pristine white with dynamic decals and stripes, this vessel isn't just about looks; it's built to perform. Whether you're slicing through choppy waters or cruising on a calm lake, the Renegade's agility and stability stand unmatched, promising every outing is memorable.

Trailering is a breeze with the Quintrex Braked Tandem Trailer 2000ATM, featuring 13-inch wheels, 4 alloy cross members for enhanced stability, and LED lights for safety during those late returns. The trailer's robust construction, including a rolled frame alloy I-beam and disc brakes, ensures a smooth and secure transport to your favorite destinations. Noteworthy additions such as the Catch and Release Bracket simplify solo launches and retrievals, while the spare wheel and carrier provide peace of mind for those longer journeys.

At the heart of this vessel lies a Yamaha F115HP 4-Stroke engine, a testament to power and reliability, fitted with the forward control for ease of handling. The Garmin GPSMAP® 953xsv Chartplotter/Sounder Combo elevates navigation and fishing to new heights, offering clear, detailed maps and sonar views. Communication on the water is crystal clear with the GME GX750B VHF Marine Radio, ensuring safety through connectivity. The package is rounded off with thoughtful inclusions like the Marine Battery & Isolation Switch, Bimini and Envelope for protection against the elements, and upgraded features like hydraulic steering and a premium steering wheel. With an extra seat spigot to customize your setup, the Quintrex 570 Renegade SC adapts to every need, making it the ultimate companion for those who demand the best in their boating adventures.PACK 3 INCLUSIONS:

QUINTREX 570 RENEGADE SC - Painted white with decals/stripes
