

Quintrex 590 Frontier PRO SC + Yamaha F150hp 4-Stroke - PRO Pack for sale online prices

\$105,490

Description

The Quintrex 590 Frontier Pro SC, painted in sleek white for a striking appearance on the water. This top-tier boat combines style and functionality, featuring a rugged Quintrex braked tandem trailer with 13-inch wheels, alloy cross members, and a 2000ATM capacity. The trailer's forward-facing white light, LED lights, and easy-to-use catch and release bracket ensure smooth and secure transport and launching.

Powered by a Yamaha F150HP 4-stroke engine, the 590 Frontier Pro SC promises exceptional performance and reliability. The engine includes a 703 control box, dual multifunctional digital gauges, and integrated hydraulic steering for precision control. With power trim and tilt, electric start, and a stainless-steel prop, this motor is workshop-fitted, tested, and ready to go. Additional features like a motor support block and a marine battery with an isolation switch enhance durability and safety.

Equipped with a Muir 600W drum winch, 80 meters of rope, and a Garmin GPSMAP® 8412XSV chartplotter/sounder combo, the 590 Frontier Pro SC ensures seamless navigation and anchoring. The upgraded GT56UHD transducer offers ultra high-definition scanning sonars, providing clear and detailed underwater images. Comfort and convenience are prioritized with a bimini and envelope for shade, a navigator console upgrade, and a mega chopper cutting board with rod holders and storage compartments. The deluxe rod locker, transom door, drink holders, and high-pressure deck wash complete this premium package, making every fishing trip a pleasure.

PLEASE NOTE - Images are of the standard 590 Frontier, not the 'PRO' model. Please refer to features list below for all PRO model inclusions.
