

Quintrex 590 Frontier SC + Yamaha F150hp - PACK 2 FOR SALE

\$98,028

Description

Set up as a Pack 2, the Quintrex 590 Frontier SC is a solid offshore-capable fishing rig with a simple, practical layout and plenty of deck space to work fish or move gear around. The Apex Hull keeps it stable at rest and predictable through chop. Powered by a Yamaha F130HP four-stroke, it delivers smooth, reliable push with easy trim and tilt control and low running fuss. The Quintrex alloy tandem trailer is set up for straightforward towing, with rollers, disc brakes, and a spare wheel for backup. Garmin electronics handle navigation and sonar, giving clear readings for structure and bait. A bimini and envelope provides shade when needed, and the onboard battery system and safety gear mean it's ready for regular fishing trips straight away. PACK 2 INCLUSIONS:
