Hull Style	Single	Hull Type	Aluminium
Power Type	Power	Stock Number	Q590TEP1-0924
Condition	New	State	Queensland
Suburb	Burpengary East	Engine Make	Yamaha

Description

Step into ultimate angling action with the Quintrex 590 Top Ender, painted in sleek white for a modern look. This rig comes with a Yamaha F130HP 4-Stroke outboard, offering electric start, power trim & tilt, and smooth performance with the reliability of Yamaha's SDS Alloy Prop. The boat is rigged with forward controls, digital gauges, and a workshop-tested fit to get you ready for the water. Supporting the outboard is a Motor Support Block, ensuring safe transport and storage by preventing excess strain on the tilt assembly.

Paired with a Quintrex Braked Tandem Trailer featuring wobble rollers and a robust alloy I-Beam frame, it ensures easy loading and stability on the road. The trailer's braked system, alloy cross members, and LED lights round out a secure towing package. For navigation, the boat includes a Garmin UHD2 75SV Chartplotter/Sounder Combo, preloaded with Australia & New Zealand maps and a bright 7" display, making charting your next course a breeze.

Additionally, this package is equipped with essentials like a marine-rated battery with an isolation switch, cockpit lights for added visibility, and a bow mount thruster plate to easily add an electric motor later on. Whether you're heading out for a serious fishing trip or a leisurely cruise, the 590 Top Ender offers versatility, power, and comfort for your next adventure. **PACK 1 INCLUSIONS:**
