Description

Quintrex 610 Trident Hard Top

The Quintrex 610 Trident Hard Top has versatility on the water, designed with a keen eye for both aesthetics and functionality, this model features a striking white hull, accentuated with a tasteful decal and stripe, perfectly complementing its robust build. The 610 Trident is more than just a pretty face; it's a vessel built for the challenges of the ocean. Its hard top design offers protection and comfort, allowing you to tackle the seas regardless of the weather.

This formidable package includes a Quintrex braked tandem trailer 2000ATM, ensuring safe and convenient transport to your water adventures. The addition of the Catch and Release bracket simplifies the launch and retrieval process, while the spare wheel and carrier offer peace of mind during long journeys. Powering this marine giant is the reliable Yamaha F150HP 4-Stroke engine, equipped with a Yamaha trim limit switch and a motor support block for optimal performance and longevity.

Navigational excellence is guaranteed with the Garmin ECHOMAP™ UHD2 125SV Chartplotter/Sounder Combo, offering unparalleled clarity and depth in mapping your aquatic journeys. The Muir 600W drum winch adds to the ease of anchoring in your chosen spot. Comfort isn't an afterthought either – with cabin cushions, backrests, a bunk infill cushion, and a 3-quarter rear lounge & backrest, relaxation is paramount. Practical features like the high-pressure deck wash and dual marine batteries with an isolation switch enhance both convenience and safety. The storm cover ensures your 610 Trident remains pristine, guarding against the elements when not in pursuit of the ocean's treasures.
