Description

610 TRIDENT SOFT TOP - I'VE DONE MY JOB ON DISPLAY AND I'M READY TO FISH!

IN STOCK, FULLY OPTIONED AND I'M 10K OFF!

The 610 Trident Soft Top is built to push wider, chase bigger fish, and not have to worry about the conditions turning. It's a tough, capable hull that gives you the confidence to take on bluewater, whether you're heading to the reefs, chasing pelagics, or planning long days offshore. You will not have to sacrifice comfort for fishability - its built for both. The cabin, seating, and front and side clears mean you're protected from wind and spray, so you can stay out longer and enjoy the day, not just endure it.

This one's a smart buy because it's already fully set up and ready to go!. All the big-ticket upgrades are done — winch, Zipwake tabs, flooring, sound system. And with the Yamaha 150 on the back, you've got that perfect balance of power, reliability, and economy. Simple — if you want a serious offshore rig that's ready to go right now, this is it.PACKAGE INCLUSIONS:
