

Quintrex 630 Freestyler + Yamaha F200hp 4-Stroke - Wake Tower Pack for sale online prices

\$122,990

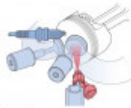

Convenience and Control

- Electric Start on all models
- Variable Throttle (VT) Switch (VTS) allows slower throttling than standard in-gear idle for better handling
- External oil draining systems for easy maintenance, dealer or consumer
- Wide open throttle systems for smooth operation

Features

Electronic Fuel Injection

Yamaha Electronic Fuel Injection delivers smooth operation, excellent fuel efficiency, easy starting and improved engine performance in all conditions.

Compact and Light

The all-new 432cc four-cylinder engine configuration allows for more compact profile when compared to the previous 500cc. It adds the new 725cc 30-gallon lighter than its predecessor. This significant weight reduction enhances versatility, making the new 725 suitable for a wider range of applications and hulls.

Previous 725: 61 kg
NEW 725: 44 kg (127lbs lighter!)

Easy to Manoeuvre on the Boat

A 40-degree steering angle in each direction means great manoeuvring potential.

Description

Introducing the Quintrex 630 Freestyler, a powerhouse built for those who crave both performance and style on the water. This model comes painted in a striking two-tone finish, ensuring you turn heads wherever you go. The boat is paired with a robust Quintrex braked tandem trailer, boasting a 2000ATM rating and 13-inch wheels, designed to make transportation a breeze. With features like a rolled frame alloy I-Beam and a high-quality 10:5:1 winch, you can trust in a reliable and safe journey to and from your favorite spots.

Powering this beauty is the Yamaha F200HP 4-stroke engine, which offers seamless control via a forward 703 control box, complemented by two multifunctional digital gauges. The integrated hydraulic steering and power trim & tilt ensure smooth handling, whether you're cruising or pushing the limits. This setup includes an SDS S/S prop and a fuel filter, with everything workshop-fitted and tested to guarantee peak performance.

The 630 Freestyler also comes fully equipped with premium features to enhance your experience on the water. Enjoy crystal-clear navigation with the Garmin UHD2 95SV Chartplotter/Sounder Combo, which includes preloaded Garmin Navionics+ maps for Australia and New Zealand. The Fusion RA60N sound system, paired with four marine-grade speakers, delivers top-notch audio quality, perfect for those days when you want to relax with some music. Safety and convenience are also top priorities, with the inclusion of a GME GX750B VHF marine radio, motor support block, and a range of Roswell wakeboard tower accessories that add both functionality and style to your adventures. **WAKE TOWER PACK INCLUSIONS:**
