Description

Quintrex 650 Trident Hard Top, painted in a sleek white with striking decal stripes, epitomizes both style and substance. The Trident's hard top design promises a sturdy shield against the elements, making it an ideal companion for those who dare to challenge the open waters. Equipped with a Yamaha F200HP 4-Stroke engine, this vessel is not just about looks – it's a powerhouse designed for performance.

The 650 Trident is perched on a robust Quintrex Hydraulic-Braked Tandem Trailer 2600ATM, ensuring safe and secure transportation to your waterway of choice. This package is further enhanced with practical add-ons like the Catch and Release Bracket, a spare wheel and carrier featuring a matching alloy wheel and tyre, and a motor support block. These features collectively ensure that your boating experience is hassle-free, right from the moment you hit the road.

Functionality meets luxury in the high-tech offerings aboard the 650 Trident. Navigate with confidence using the Garmin ECHOMAP™ UHD2 95SV Chartplotter/Sounder Combo, neatly mounted on the G2 Display Mount. Entertainment is at your fingertips with the Fusion RA70N Sound System, complemented by two speakers for an immersive auditory experience. For practicality, the Muir 600W Drum Winch makes anchoring a breeze, while the high-pressure deck wash keeps your deck pristine after a day's catch or a leisurely cruise.

The interior of the 650 Trident is a haven of comfort. The cabin is lined with carpet, providing a cozy refuge. Relax on the plush cabin cushions, lean back against the supportive cabin backrests, or enjoy the added space with a bunk infill cushion. The side combing cushions add an extra layer of comfort, harmonizing perfectly with the 3-quarter rear lounge and backrest. Whether you're on a fishing expedition or a leisurely family outing, the dual marine batteries with an isolation switch and a secondary 75L underfloor fuel tank (replacing the kill tank) ensure you have all the power and fuel capacity for extended adventures on the water.

Every element of the Quintrex 650 Trident Hard Top is meticulously crafted to enhance your boating experience. It's not just a vessel; it's a commitment to quality, adventure, and endless possibilities on the water.
