Description

The Quintrex 650 Trident Hard Top, fully painted in an elegant Grey with a sleek decal/stripe, stands as a beacon of maritime excellence. This model is not just a boat; it’s a testament to the seamless blend of style and functionality. Anchored in strength and designed for offshore adventures, it features a robust Quintrex Hydraulic-braked Tandem Trailer 2600ATM, ensuring smooth and secure transportation to and from your aquatic escapades. The inclusion of the innovative 'Catch and Release' bracket simplifies boat launching, while the spare wheel and carrier add an extra layer of convenience for those long journeys.

Powering this marine marvel is the Yamaha F200HP 4-Stroke engine, a powerhouse of efficiency and reliability. The motor support block underlines the commitment to durability and performance. Navigation and fish finding are elevated to new heights with the Garmin ECHOMAP™ UHD2 95SV Chartplotter/Sounder Combo, ensuring you're always on course and in tune with the aquatic environment. Entertainment is delivered via the Fusion RA70N Sound System with two speakers, creating the perfect ambiance for every sea journey. The Muir 600W Drum Winch adds to the effortless experience, making anchoring a breeze.

The 650 Trident Hard Top is not just about performance; it’s about comfort too. The cabin, lined with carpet and furnished with cushions and backrests, offers a cozy refuge. The inclusion of a bunk infill cushion and side combing cushions enhance comfort, ensuring relaxation at its finest. The 3-quarter rear lounge and backrest invite passengers to unwind in luxury. Practical features like the high-pressure deck wash, dual marine batteries with an isolation switch, and a secondary 75L underfloor fuel tank, emphasize the boat's readiness for any challenge. With the quintessential storm cover, this vessel is prepared for all weather conditions, ensuring your adventures on the water are limitless.
