

Quintrex 690 Trident + Yamaha F225hp 4-Stroke - Pack 1 for sale online prices

\$110,690

FOUR-STROKE F200

Yamaha's F200 Digital and Mechanical Control outboards now feature integrated steering systems, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered transom area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearlrescent white, the F200 model line-up brings a new level of next-generation boating.

ENGINE FEATURES

- 2785cc four-cylinder engine.
- Four-cylinder in-line design delivers excellent fuel efficiency.
- Integrated Electro-Hydraulic or Integrated Hydraulic Steering options.
- Built-in tilt limiter.
- 2 colour options with raised graphics.*

Description

The Quintrex 690 Trident, a formidable off-shore weapon designed to conquer the open waters with ease. This offshore powerhouse features the renowned Millennium Blade Hull and robust 5mm plate bottom sheets, ensuring a smooth and stable ride even in rough conditions. With a maximum length of 7.08 meters and a beam of 2.48 meters, the 690 Trident offers ample space and stability for up to eight people. The 200-liter fuel tank provides extended range, perfect for those long fishing expeditions.

Equipped with a Yamaha F200HP 4-stroke engine, the 690 Trident promises power and reliability. The engine includes integrated hydraulic steering, power trim and tilt, and electric start for effortless control and maneuverability. Complementing the engine is a Quintrex hydraulic-braked tandem trailer with 14-inch wheels, loadshare hydraulic brakes, and an easy loader cradle, making transportation a breeze. The package also includes a spare wheel and carrier, ensuring you are always prepared.

To enhance your comfort and convenience, the 690 Trident comes with a Bimini and envelope for shade and protection, a marine battery with an isolation switch, and a motor support block to prevent excessive loads on the tilt assembly. The forward-facing white light and LED lights ensure visibility and safety, while the swing-up jockey wheel and motor support add to the ease of handling. Whether you are an avid angler or a weekend adventurer, the Quintrex 690 Trident offers the perfect blend of performance, durability, and style
