Hull Style	Single	Hull Type	Aluminium
Power Type	Power	Stock Number	Q690TP1-0325
Condition	New	State	Queensland
Suburb	Burpengary East	Engine Make	Yamaha

Description

Sitting at the top of the offshore range, the Quintrex 690 Trident is built for serious bluewater adventures. Painted in a crisp white finish, it's designed with the robust Millennium Blade Hull and 5mm plate bottom sheets, delivering a smooth and stable ride through heavy chop and swell. With a spacious 7.08m length and wide 2.48m beam, this offshore warrior has seating for eight and offers generous deck space for fishing or cruising. It features a walk-through windscreen and cabin hatch for protection from the elements, plus essentials like a kill tank, self-drain floor, rocket launcher, transom door, and cast-welded rod holders, all fitted standard for hardcore boating and fishing sessions.

Matched with a Yamaha F200HP 4-stroke, this package delivers serious offshore performance. You're looking at forward controls, twin multifunction gauges, and integrated hydraulic steering for precise handling. Power Trim & Tilt with limiter and a stainless SDS prop round out the engine setup, workshop tested and backed by dealer delivery and on-water training. The motor is fitted with a support block to ease pressure on the tilt assembly during transport.

It rides on a Quintrex tandem trailer (2600ATM) equipped with hydraulic loadshare brakes, 14-inch wheels, alloy cross members, and an I-beam alloy frame. The swing-up jockey wheel, LED lights, spare wheel with carrier, and easy loader cradle make launching and towing effortless. A marine battery with isolator, Bimini and envelope for shelter, and current factory decals complete this ready-for-action package, built to tackle the offshore with confidence. **PACK 1 INCLUSIONS:**

-

QUINTREX 690 TRIDENT - Painted in white

-

QUINTREX HYDRAULIC-BRAKED TANDEM TRAILER 2600ATM - 14 Inch Wheels, Loadshare Hydraulic Brakes, 5 Alloy Cross Members, 50mm Coupling, 7 Pin Plug, Actuator, Axle 45 Square, Easy Loader Cradle, Forward Facing White Light, Swing-up Jockey Wheel, Motor Support, LED Lights, Loader Cradle, Rolled Frame Alloy I-Beam, Winch 10:5:1
