Description

IN STOCK NOW - F370 OUTBACK EXPLORER - I'M BUILT TOUGH!

The Quintrex F370 Outback Explorer Long Shaft is built with one clear purpose — to be a tougher, more capable version of the standard Explorer for real Aussie conditions. It's designed for fishos who want a small tinny but need extra safety, stability, and durability when conditions aren't always perfect. With higher sides, a wider bow, and a stronger hull, the Outback version handles chop better, keeps you drier, and feels more secure on the water. Paired with the Yamaha F25HP, it's got the power to move easily while staying efficient. Simple — it's a small boat built to handle more and go further.

PACKAGE INCLUSIONS:

- QUINTREX F370 OUTBACK EXPLORER L/S - Unpainted, carpeted low floor, no stripes/decals. Standard factory inclusions include front and rear bench seats with flotation, flat foredeck, anchor gusset, bow handle, transom handles, rowlock blocks, solid corners and 5 year factory warranty
