

## Quintrex Hornet 510 + Yamaha F115hp 4-Stroke - Pack 1 for sale online prices

\$58,510

### Description

Purpose-built for serious anglers chasing tournament-level performance, the Quintrex 510 Hornet delivers maximum casting space with raised decks front and rear, giving you an open, uncluttered layout ideal for working lures or sight fishing. With a massive 2.3 metre beam and 5.36 metre length, this rig offers incredible stability and fishability, whether you're chasing bass, barra, or bream in lakes, rivers, or impoundments. The fully welded 4mm bottom sheets and smart storage layout make it a durable and practical fishing weapon.

Driving the Hornet is a powerful and efficient Yamaha F115HP 4-stroke, matched with forward controls, dual multifunction digital gauges, and a smooth SDS alloy prop. This outboard is workshop fitted and tested, with electric start and power trim and tilt for easy operation in any condition. A marine-rated battery with isolation switch ensures safe, reliable starts every time you hit the water.

Underneath, the boat is supported by a robust Quintrex braked trailer 1298ATM, featuring 13-inch alloy wheels, disc brakes, dual and single adjustable keel rollers, and long skids on a rolled alloy I-beam frame. With a swing-up jockey wheel, loader cradle, LED lights, flippers, and a 5:1 winch, launching and retrieving is straightforward and stress-free. Backed by updated Quintrex decals and 12 months of QLD rego on both boat and trailer, this complete package is made for fishos who want serious performance without compromise. **PACK 1 INCLUSIONS:**
