Description

Step up your boating game with the Quintrex Trident 650, the ultimate offshore fishing machine, painted in a sleek white finish. This boat boasts a robust construction with 5mm plate bottom sheets and the renowned Blade Hull, ensuring it cuts through rough water with ease. The spacious design comfortably accommodates up to seven people, making it perfect for both fishing trips and family outings. With a self-draining tread-plate floor and a massive 180L fuel tank, you can stay out on the water all day, no matter the conditions.

Paired with the Quintrex Trident 650 is a braked tandem trailer featuring 13-inch wheels, four alloy cross members, and LED lights, making transport a breeze. The trailer's rolled frame alloy I-Beam and loader cradle ensure your boat is secure during transit. Additionally, the package includes a spare wheel and carrier for added peace of mind.

Powered by the Yamaha F175HP 4-Stroke engine, this setup delivers exceptional performance and reliability. The engine comes with forward control and a 703 control box, along with two multifunctional digital gauges. The integrated hydraulic steering (IHS) and power trim & tilt features enhance maneuverability, while the electric start and SDS stainless steel prop ensure easy and smooth operation. To top it off, the Garmin UHD2 95SV Chartplotter/Sounder Combo with preloaded maps and the Fusion RA70N sound system with two speakers provide advanced navigation and entertainment on the go.

Stay comfortable with the bimini and envelope with front and side clears, providing shade and protection from the elements. The large bait board and 3-quarter rear lounge with backrest make this boat ideal for both relaxation and serious fishing. Inside, the carpeted cabin lining, cabin backrest, and bunk infill with cushion add extra comfort, while the 12V outlet and marine battery with isolation switch ensure all your electronic needs are met. This Quintrex Trident 650 package is built for those who demand the best on the water. **PACK 2 INCLUSIONS:**
