Description

Dive into adventure with the Quintrex F420 Explorer. This unpainted model is perfect for boating enthusiasts seeking a versatile and durable tinnie. The F420 Explorer boasts a robust construction with a maximum length of 4.4 meters and a beam of 1.89 meters, making it ideal for navigating creeks, rivers, and estuaries. The Fighter Series Hull ensures a smooth ride and enhanced stability, while the spacious design comfortably accommodates up to four people

The package includes a Quintrex light alloy short trailer, equipped with 13-inch steel galvanized wheels and adjustable keel rollers for easy transportation. The Yamaha F40HP 4-stroke tiller motor offers reliable performance with features such as power trim and tilt, electric start, and an alloy prop. Additional conveniences include a marine battery with an isolation switch, a transducer bracket for easy mounting, and a carpeted floor for added comfort. The bow mount thruster plate is perfect for installing an electric motor, enhancing your fishing capabilities

With a fuel tank rack, two rod holders, and a forward-facing white light, the F420 Explorer is ready for your next fishing trip. The motor support, swing-up jockey wheel, and winch make handling and launching a breeze. This Quintrex model combines practicality with functionality, ensuring a hassle-free and enjoyable boating experience
