This boat comes fully painted with striking two-tone sides and sits on a heavy-duty Yellowfin hydraulic braked tandem trailer, ensuring safe and easy transport with features like LED lights, a 10:5:1 winch, and a spare wheel with a matching cover. Powered by a Yamaha F200HP 4-stroke engine, you'll experience powerful, reliable performance, with features such as integrated hydraulic steering, power trim and tilt, and a stainless steel prop for smooth sailing.
