\$153,820

Description

The Yellowfin 7000 Centre Cabin is built for those who want to head offshore with confidence, handle tough conditions and make the most of every trip. It's designed to give you the range, space and stability to chase fish further from the coast while still keeping everyone onboard comfortable for long days on the water. Whether you're running wide or spending hours on the drift, it delivers a solid, reliable platform that lets you focus on fishing. With strong Yamaha performance and a dependable trailer setup, it's a stress-free package that's easy to launch, smooth to run and reliable when it matters most. Everything onboard is geared toward helping you locate fish, stay on them and work efficiently, making it a capable, no-nonsense offshore rig that's ready to go when you are.
