Condition	New	State	Queensland
Suburb	Burpengary East	Engine Make	Yamaha

Description

The Yellowfin 7000 Centre Console in the Platinum Pack offers a serious setup for anglers and offshore adventurers. This 7-metre beast boasts a fully painted, two-tone aluminium hull with a rugged hydraulic-braked tandem trailer designed for easy loading, with alloy cross members, a sturdy I-beam, and LED lighting for durability. Paired with the powerful Yamaha F200HP 4-stroke, you'll enjoy smooth control with features like power trim and electric start, making for an efficient and responsive ride whether cruising or battling waves offshore.

Inside, top-notch electronics set this rig apart. The Garmin GPSMAP® 8416XSV chartplotter and sounder combo includes HD display and advanced sonar capabilities with preloaded Australia and New Zealand mapping, while the Airmar TM185M transducer brings ultra-clear imaging even in deep water. For entertainment, the Fusion RA70N sound system offers Bluetooth connectivity and marine-grade quality, and for communications, the GME GX750B VHF marine radio ensures you stay connected and safe.

Angling amenities include a large bait station with rod holders, tackle trays, and a heavy-duty cutting surface. The high-pressure deck wash, burley bucket, and upgraded stainless steel cupholders add convenience, while the LED lighting kit and a strong 3-step dive ladder make day or night fishing trips hassle-free. The Yellowfin 7000 Centre Console Platinum Pack is built for those serious about offshore adventures, with ample space, unmatched features, and unbeatable performance. PLATINUM PACK INCLUSIONS:
