Description

YF-58 Rear Console is built for serious bay and offshore fishing with a soft-riding plate hull, a Yamaha F130HP 4-stroke and a matched Yellowfin tandem-roller trailer. This 5.8m rear-console layout keeps the cockpit wide open for cast space, live-baiting and trolling, while the Garmin sounder, VHF and transom cutting board make days on the water easier. Telwater Quantum White paint with YF Digital Grey stripes looks sharp at the ramp, and the package bundles safety gear and registration so you can hit the water sooner. Ideal for reef missions, estuary exploring and family cruising.
