

YF-76F Extended Cabin + Yamaha F300hp - PACK 3 FISHING EDITION

\$198,000

Description

A fit for purpose offshore weapon, the Yellowfin YF-76 Fishing Edition is built to fish hard and handle whatever you throw at it. A big, tough plate boat with heaps of room to move, a proper fishing layout that actually works, loads of storage and nice high sides so you feel safe heading wide, rides unreal even when it gets a bit sloppy. With a Yamaha F300 on the back you've got plenty of punch, solid reliability and good fuel economy to get you out there and back without a worry, plus a bit of cabin up front when you need a break from the sun or weather, making the YF-76 a true all-rounder whether you're chasing fish hard or just out for a good day with the boys.
